INTRODUCING PRINTMASTER ART GALLERY I

PRINTMASTER ART GALLERY I is a library of 140 new graphics for use with PrintMaster. Sports, holidays, signs of the zodiac, office items, and background patterns are included in this all-new collection.

TO USE THESE NEW GRAPHICS, first load PrintMaster. Whenever PrintMaster displays the "Choose Graphic" menu, you can insert the PrintMaster Art Gallery I disk. Use them just as you would the graphics on your original PrintMaster disk. The program will prompt you when to put the original disk back in the drive.
